CLOTHES WRINGER.

Has been pronounced by hundreds who have tested
it to be the very best Wringer in this market.

It is so simple in construction that it can
not possibly get out of order.

It is so compact that it is not necessary to re-
move them from the wash after using.

It is so light that a child ten years old can use
it.

It needs no adjustment except for the last few
teeth, as there is no necessity for starting the set-backs to
writing anything from a lace collar to a sheet.

We send this Wringer unwaranteed, it is a
satisfactory manner, or we do not ask the purveyor to
pay complete..... 15.00
